FIVE BUILDING COMPLEX TOTALLING 214,642 SF
AVAILABILITY VARIES FROM 9,436 SF TO 33,205 SF

FOR LEASE

Up to 15% More Work Space at No Extra Cost
Unlike traditional office buildings, PrimeCenter has no common building area. 100% of Prime Center is usable work space meaning you don't pay for space you don't use...direct savings that goes straight to the bottom line. Compare our usable square footage to any other new project!
Increases Productivity Through Communication
PrimeCenter's single floorplan buildings support a flexible working environment that enhances personnel interaction...better communications means increased productivity.
Cost Efficient Telecommunications Backbone
PrimeCenter's "smart shell" was designed with a continuous ceiling section to accommodate voice and data transmission

hardware. Systems are easy to install, distribute and upgrade, providing maximum flexibility for each tenant.

Promote Company Identity

Strengthen your business recognition with PrimeCenter's individual building signage and unique tenant entries...use your real estate to advertise!

Quick Easy Access

With direct access to I-25 via the Briargate interchange, less than one mile away, PrimeCenter provides easy access to markets, customers and employees. Designed for maximum visibility and site efficiency, PrimeCenter's entrances off Briargate Parkway, Chapel Hills Drive and Dynamic Drive, facilitate traffic flow and parking for employees and customers.
